Port Worker Fatality Auckland

Dear Customers,

On behalf of Stockwell International, we send our most sincere condolences and complete support to family and everyone affected, following the devastating fatality at an Auckland port early hours of Sunday morning.

We understandably are aware that the port is in disarray following the accident, with many stevedores not returning to work today out of respect.

We are unaware of exact time interruptions, so please expect some delays and we kindly ask for your patience at this time.

We will provide further updates as information becomes available for any queries please contact your customer service representative or send your enquiry to sales@stockwells.com.au

Protected Industrial Patricks

Terminals Australia

Dear Customers,

Stockwell International has received notice that Patrick Terminal's will start Protected Industrial Action at all four terminals nationally.

At Stockwell International our priority is to service you with minimal delay. By work closely with correct authorities we will receive more information and update you on progression accordingly.
